- Multiply simple pairs of proper fractions, writing the answer in the simplest form.
- Divide proper fractions by whole numbers.
- Calculate % of whole number.

Witton Gilbert Primary School End of Year Expectations for Year 6

This booklet provides information for parents and carers on the end of year expectations for children in our school. These are the target requirements we expect your child to meet throughout this school year and are known as "Age Related Expectations".

This booklet aims to support a clearer understanding of the new national curriculum and assessment procedures.

One change in education is that if your child is achieving well, the Government has stated that rather than moving onto the following year's expectations, schools must encourage more in-depth and investigative learning to allow a greater mastery and understanding of the concepts and ideas being taught in the current year group.

All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is greatly valued.

If you have any queries regarding the content of this booklet or want support in knowing how best to help your children please talk to your child's teacher. At parent/ teacher consultations, your child's current attainment and progress can be discussed in more depth.

Reading, Speaking and Listening

- Refers to text to support opinions and predictions.
- Gives a view about choice of vocabulary, structure etc.
- Distinguish between fact & opinion.
- Appreciates how a set of sentences has been arranged to create maximum effect.
- Recognise complex sentences.
- Skims and scans to aide note-taking.
- To know not to interrupt when someone else is saying something
- Present a spoken argument that develops coherently and logically and supports its points with evidence and persuasive language.

Writing

- Use subordinate clauses to write complex sentences.
- Use passive voice where appropriate.
- Use expanded noun phrases to convey complicated information concisely (e.g. The fact that it was raining meant the end of sports day).
- Evidence of sentence structure and layout matched to requirements of text type.
- Use:
 - Semi-colon, colon, dash to mark the boundary
 - between independent clauses.
 - Correct punctuation of bullet points.
 - Hyphens to avoid ambiguity.
 - Full range of punctuation matched to requirements of text type.
- Use wide range of devices to build cohesion within and across paragraphs.
- Use paragraphs to signal change in time, scene, action, mood or person.
 - Legible, fluent and personal handwriting style.
